

CORRATAINER™

Brand of VpCI® Coated Corrugated Boxes

CORTEC
CORPORATION

Environmentally Safe VpCI®/MCI® Technologies

VpCIs

Fight Corrosion at the Molecular Level

Cortec® Vapor phase Corrosion Inhibitors (VpCI™) provide multimetal protection with corrosion inhibiting vapors that condense onto the surface of your products and form a thin, uniform, economical, and extremely effective corrosion inhibiting layer.

This barrier is self-replenishing — Cortec® VpCIs provide continuous protection, even if the package is repeatedly opened and closed.

Application is easy — little or no surface preparation is required. Machinery, products, and components are ready for immediate use — no cleaning or degreasing is required.

Automotive components packaged in corrugated Cortec® *CorrTainer*™.

Recyclable & Repulpable

CorrTainer™

Moisture Resistant

CorrTainer™ is a fully recyclable, repulpable, and moisture resistant container all in one box. CorrTainer™ eliminates the need for secondary packaging, and offers cost effective, environmentally friendly, corrosion protection. This product is easy to use, with no need for desiccants and polycoated wraps. The VpCI® coating on the inside of the box vaporizes to saturate the metal surfaces providing complete multi-metal protection.

Cadillac GM car body components shipped from Detroit to Shanghai in corrugated Cortec® CorrTainer™.

Benefits

of using *CorrTainer*[™] brand of VpCl[®] coated corrugated boxes

Cost Effective

- Saves costly time and labor
 - no surface preparation required for application
 - no cleaning/degreasing required of packaged parts
- Reduces raw material requirements
 - need for rust inhibiting oils is eliminated
 - desiccants are not needed
- Eliminates disposal costs
 - *Corrtainer*[™] is fully recyclable and repulpable
 - no hazardous waste disposal costs

Industry Proven Track Record

- 30 years of application and testing ensure reliable results

Multimetal Protection

- *Corrtainer*[™] provides protection for ferrous and non-ferrous metals

Simple Application

- Recessed and non-contact areas are protected
- *Corrtainer*[™] is moisture resistant

Safe for Personnel and Environment

- Non-toxic, recyclable, and repulpable

Available in Custom Sizes and Configurations

- boxes, sheeting, containers, etc.
- Call Cortec[®] Customer Service for quote and availability

LIMITED WARRANTY

All statements, technical information and recommendations contained herein are based on tests Cortec[®] Corporation believes to be reliable, but the accuracy or completeness thereof is not guaranteed.

Cortec[®] Corporation warrants Cortec[®] products will be free from defects when shipped to customer. Cortec[®] Corporation's obligation under this warranty shall be limited to replacement of product that proves to be defective. To obtain replacement product under this warranty, the customer must notify Cortec[®] Corporation of the claimed defect within six months after shipment of product to customer. All freight charges for replacement product shall be paid by customer.

Cortec[®] Corporation shall have no liability for any injury, loss or damage arising out of the use of or the inability to use the products.

BEFORE USING, USER SHALL DETERMINE THE SUITABILITY OF THE PRODUCT FOR ITS INTENDED USE, AND USER ASSUMES ALL RISK AND LIABILITY WHATSOEVER IN CONNECTION THERE WITH.
