## CASE HISTORY

### To Catch and Contain a Fish

**DATE**

June 2007

**DISTRIBUTOR**

A.S. Harrison & Co. Pty Ltd.

**CUSTOMER**

Liam Routledge

**LOCATION**

Florida Keys, FL

**PRODUCT**

Eco Works®

**PROBLEM**

Upon catching a fish - after hours of waiting - young fisherman Liam Routledge found himself unable to store his catch. Liam had worked hard to catch this fish - a beautiful Red Fish - and he would simply not let it be returned to the sea.

**APPLICATION**

Luckily, the boat he happened to be on belonged to Boris Miksic: president and C.E.O. of Cortec® Corporation. Boris gave the boy an Eco Works® bag in which to store the fish.

**CONCLUSION**

Because Boris provided an Eco Works® bag, Liam was able to squirrel his fish away in a biodegradable, environmentally friendly bag.
