# CASE HISTORY

## VpCI-126® Bags

**DATE**

October 2003

**DISTRIBUTOR**

REFIATE

**LOCATION**

Porto Real, Rio De Janeiro

**CUSTOMER**

Peugeot Citroen Do Brasil Automoveis LTD

**PRODUCT**

VpCI-126® Bags

**PROBLEM**

Peugeot Citroen Do Brasil Automoveis LTD was disappointed that the bags being used to pack engines shipped from Brazil to France were not keeping them from corroding. The customer required bags with a corrosion inhibitor that would be non-toxic, nitrate free, and provide multi-metal protection.

**APPLICATION**

The engines were placed inside VpCI-126® film bags and sealed with tape.

**CONCLUSION**

Cortec's VpCI-126® film bags provide the corrosion protection needed, and the customer knew the best product for their engines had been chosen.
