Preservation of Screw Compressor Air-End Parts for Export

DATE

July 2010

CUSTOMER

Craftsman Automation

CORTEC® REPRESENTATIVE

Cortec® Corrosion Solutions India Pvt Ltd

DISTRIBUTOR

Vertex Corrotech Solutions Pvt Ltd

LOCATION

Coimbatore, India

PRODUCTS

S-69

VpCI®-126 Blue

VpCI®-419

VpCI®-146

PROBLEM

The customer was expected to ship screw compressor air-end parts clean and rust free to Ingersoll Rand's plants in the UK, USA, China, Germany, and the Czech Republic.

CORTEC
CORPORATION

Environmentally Safe VpCI®/MCI® Technologies

www.cortecvci.com

APPLICATION

To do this, the customer included several Cortec® products in their work-in-process and packing. Cortec's S-69 was used for hydro-testing, while VpCI®-419 was used as a cleaner-degreaser. The parts were then packed for shipment with the VpCI®-126 Blue film bag and VpCI®-146 paper.

CONCLUSION

The customer was pleased they were able to fulfill Ingersoll Rand's expectation with the use of Cortec's innovative corrosion preventive products.
