PRESS RELEASE:

A Large Solution Wrapped in a Small Package!

EcoPouch is Cortec's newest high performance Vapor phase Corrosion Inhibiting (VpCI®) protection product. Each pouch contains VpCI®-609 Powder and is constructed of breathable Tyvek®, which allows the VpCI® molecules to be emitted through the membrane and form a molecular layer on surfaces.

More...

Tyvek® is a registered trademark of DuPont.

PRODUCT SPOTLIGHT

For Indoor Corrosion Prevention, Use Cortec's VpCI®-377

Cortec's EcoAir® VpCI®-377 is a water-based corrosion preventative for indoor protection of equipment and components in our patented, environmentally friendly compressed air cans.
