

BioClean Spray

PRODUCT DESCRIPTION

BioClean Spray is a new addition to Cortec's Bio-based line of products. BioClean Spray is a blend of coconut oil phospholipid, "green" corrosion inhibitors, and surfactants designed to clean and protect wood, metal, plastics, and other hard surfaces. BioClean Spray will eliminate existing contamination, as well as provide prevention of future growth.

BioClean Spray is non-toxic, non-hazardous, biodegradable, and is manufactured from renewable resources. The same technology can be found in cosmetics and personal care products such as hand cleaners, shampoos – even baby wipes!

Through this unique chemistry, BioClean Spray is powerful enough to maintain the performance mandated by industry standards, and also provides a solution that is truly safe for both humans and the environment.

FEATURES

- Non-toxic, non-hazardous
- Gentle & non-irritating
- Biodegradable and renewable
- Supports antimicrobial properties
- Provides dependable corrosion protection
- Available in cans pressurized by air - not hazardous for shipment
- Ready to use

TYPICAL APPLICATION

BioClean Spray is the ideal solution to clean hard surfaces. Depending on the level of contamination, allow product to remain on surface for 30 seconds to 10 minutes and then either wipe with a clean, damp cloth or rinse with clear water.

For the retardation of microbiological growth: Spray evenly over hard surface; do not remove.

PHYSICAL & CHEMICAL PROPERTIES OF THE LIQUID

Appearance	Clear to slightly cloudy liquid
pH	8.9-9.5 (Neat)
Weight per Gallon	8.4-8.5 lbs/gal (1.00-1.02 kg/l)
Solubility	Complete
VOC	0
Flash Point	212°F (100°C)

PACKAGING AND STORAGE

BioClean Spray is packaged in 10-14 oz. net wt. (284-397g) recyclable aluminum cans, 12 cans per carton. BioClean Spray Liquid is available in 5 gallon (19 liter) pails, and 55 gallon (208 liter) drums.

The shelf life is up to 24 months.

FOR INDUSTRIAL USE ONLY
KEEP OUT OF REACH OF CHILDREN
KEEP CONTAINER TIGHTLY CLOSED
NOT FOR INTERNAL CONSUMPTION
