Dear Marcus,

I would like to extend my thanks to you and Cortec Corporation for supporting the Wyland Foundation in the creation of Whaling Walls #6 & 85 in Honolulu. Your dedication and participation made this a very special occasion for me and my family.

I am most proud of the fact that this mural will inspire thousands of people to respect, protect and preserve our lakes, oceans, rivers and streams. It is sure to be a Hawaiian landmark for years to come.

On behalf of the Wyland Foundation, Team Wyland and my family, friends and supporters from around the world, we thank you and invite you to join us in the future as we bridge the world of art and science to inspire a whole generation around the globe to care about our oceans and to make a difference in them.

Best fishes,

WYLAND
