

COAT ONCE LAST 3 TIMES LONGER

UP TO 25 YEARS CORROSION PROTECTION

Low VOC

When paint cracks, peels, and pops off the metal or concrete surface, work with our corrosion experts at Cortec® to find a customized solution. Our proprietary water based VpCl™/MCl® coatings can double and triple the time between recoatings, significantly reducing your corrosion repair expenses. We offer results proven anti-corrosion formulations from moisture cure urethanes, epoxies, and acrylics to OEM equipment and concrete surface treatments. We can even color match your surface colors, when recoating tanks, oil rigs, pipelines, high temperature stacks, bridges, towers, or any other valuable assets. For details visit us at:
