Dear Bob,

Congratulations on your approval by the BPI. Enclosed you will find your copy of Cortec's signed certificate, which can be used to demonstrate your compliance to the Program and meeting the specifications found in ASTM D6400-99. Also, I am including a signed original of the contract for your files, which I received along with your licensing fee check.

If there is anything, I can do to help your efforts, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven A. Mojo', is written over a light-colored rectangular background.
