

# INDUSTRIAL AND INSTITUTIONAL PRODUCTS BIOCHEMICAL CLEANERS, DEGREASERS, AND NON-CHLORINATED SOLVENTS

ISO: 9001 Certified  
Quality System Registered

# BIONETIX INTERNATIONAL

WE PROMOTE A HEALTHY ENVIRONMENT BY PROVIDING SUPERIOR, ENVIRONMENTALLY SAFE ALTERNATIVES TO CURRENT TREATMENT METHODS.

## ABOUT US

BIONETIX BIOLOGICALS...  
THE MISSING LINK BETWEEN  
ENVIRONMENTAL PROTECTION AND EFFECTIVE TREATMENT

Bionetix International produces biological waste treatment products that are used in thousands of field applications worldwide.

Our Biological Series of products can be found in use in countless food preparation and processing locations world wide. These products have been accepted by numerous municipalities around the world.

## SUPPORT

We offer a complete portfolio of products for treatment applications in the home, industry, institutions, municipalities and yes . . . even in farmers' fields! And we know our products are used all over the world under widely differing environmental, climatic, physical and social treatment conditions.

So we're here to help you :

Our ever-expanding network of sales partners permits us to offer product and sales support wherever it is needed.

The expertise of our employees permits us to offer our clients timely technical support to develop tailor-made solutions for special applications.

Just contact us whenever you need us! Help us to clean up our natural environment

### ECO-SEPT (LIQUID AND POWDER) SEPTIC TANK TREATMENT

ECO-SEPT Liquid or Powder is a diverse microbiology designed to activate digestion of solid waste. It improves pipe purification and drain seeping. It extends the life of a drain area and controls methane production.

### PORTA-TREAT (LIQUID AND POWDER) PORTABLE TOILET TREATMENT

PORTA-TREAT treats and deodorizes portable toilets and mobile systems aboard vehicles. It is quick acting and leaves a fresh fragrance behind.

### URINAL BLOCKS SOLID DEODORANT AND CLEANER

URINAL BLOCKS are soluble cleaning blocks that dissolve in water and contain a unique formula to clean away scaling problems, curing odors, and preventing blockages.

### DEL 2002 ACID REPLACEMENT

DEL 2002 is an organic salt that performs like an acid. Excellent replacement for phosphoric and nitric acid and safe to use.

### ECO-VENT HOOD SYSTEMS DEGREASER

ECO-VENT can be used with all types of self-cleaning hood systems. Recommended for efficient biodegradation of fat, grease, and oil accumulations in self-cleaning hood ducts for food plants, restaurants, hospitals, and hotels.

### ECO-GLASS CLEANER

ECO-GLASS is an ammonia, soap, acid, and solvent-free cleaner concentrate that cleans glass without leaving a film or streaks.

### ECO-WASH EXTERIOR VEHICLE WASH

ECO-WASH has been formulated to provide dual action in a one-step cleaning method. Its high penetrating action cuts through oil, grease, soils, and carbon quickly.

### ECO-SCENT ODOR CONTROL

ECO-SCENT can be used in a spray bottle and sprayed into the air around and directly on to odorous surfaces as needed. This product may also be added to mop water and used on floors around urinals, etc.

### ECO-NU-CLEAN ALL PURPOSE CLEANER CONCENTRATE

One-step neutral cleaner designed to remove embedded soils quickly from hard surfaces without any residue, leaving the surface sparkling clean.

### BIO-TAB 1T SEPTIC SYSTEM MAINTENANCE

BIOTAB 1T replenishes the microbial community in septic systems. It is especially efficient for after toxic shock such as the use of strong bleaches or other harmful chemicals. This includes the use of root killers for removal of roots in pipelines. These tablets reduce odors and methane; along with preventing pipe and drain blockage.

### BIO-KLEAN GERMICIDAL CLEANER

BIO-KLEAN contains a proprietary blend of surfactants and stimulants all contained in a matrix system. This helps to control odors and to increase the breakdown of organic matter. A concentrated multi-purpose germicidal detergent and deodorant effective in hard water. A quaternary-based disinfectant, hard surface cleaner concentrate formulated to destroy pathogenic and odor-causing bacteria and viruses. Disinfects, cleans, and deodorizes in one labor-saving step.

***Pest Control Product Acts DIN#02247083***

### ECO-DRAIN (LIQUID AND POWDER) DRAIN MAINTAINER

ECO-DRAIN LIQUID is formulated for the treatment of drain lines, grease traps, and down lines in restaurants and commercial establishments. ECO-DRAIN POWDER is specially formulated for direct addition to drains and grease traps in restaurants and commercial buildings.

### FIRE DAMAGE DEODORIZER

Fire Damage Deodorizer is a ready to use and highly effective formula blend that destroys odors from smoke and after-fire compounds in closed areas. It is excellent for use on textiles such as clothing, upholstered furniture, carpets, and draperies.

### FIZZY-TAB SEPTIC TANK TREATMENT

FIZZY-Tab tablets for septic tank treatment reduces septic tank pumping frequency. Improves pipe purification and drain seeping. It also prevents pipe and drain blockage.

### ECO-TRAP (BLOC AND LIQUID) GREASE TRAP TREATMENT

ECO-TRAP BLOC and LIQUID contains specialty penetrants and surfactants that loosen and liquefy heavy grease deposits, thereby aiding their degradation. BLOC provides a slow release of the microbiological agents, providing long lasting maintenance to your grease traps.

### BCL5000 PARTS WASHER FLUID

BCL5000 is formulated for optimum cleaning of hard surfaces contaminated with petroleum products in parts washers. It will degrade a wide range of hydrocarbons including: gasoline, diesel, crude oil, benzene, toluene, ethyl benzene, and xylene.

### ECO-BLAST ALL PURPOSE INDUSTRIAL CLEANER

ECO-BLAST is typically used in spray and wipe applications to remove difficult scale, rust and calcium build-up from hard surfaces.

### BIONET GOLD INDUSTRIAL STRENGTH SOLVENT DEGREASER

BIONET GOLD's naturally derived soybean-based solvent dissolves grease safely and effectively and eliminates build-up. It is fragrance-free, dye-free, and biodegradable. It degrades at the same rate as dextrose (a sugar).

### ECO-CLEAN-ALL ALL PURPOSE CLEANER

ECO-CLEAN-ALL is a biological cleaner that is specifically formulated to eliminate organic soils from a wide variety of surfaces including carpet, tile flooring, fabric, and upholstery. This powerful combination digests grease, oil, protein, fat, starch, and other solid organic wastes to maintain a clean, odor-free facility. The biological activity keeps working to ensure that cleaning and odor removal occur long after the initial product application.
