PRESS RELEASE

Cortec® Global Services Brochure Now Available!

Global Preservation Simplified

Cortec® publishes its NEW Global Services Brochure! It delivers information on all that Cortec® Global Services has to offer our customers and clients for their preservation needs. It covers Cortec's best-in-class technology, project management, engineering, design, application, and training services that ensure zero defect; low-cost, preservation. It contains information on high performance turn-key solutions offered for manufacturers, engineering firms, and project owners; encompassing industries ranging from automotive, telecommunications, construction, aerospace, military, power generation, oil and gas, and mining.

Many technology platforms are covered in this brochure:

- Packaging
- High Performance Coatings
- Metal Treatment
- Hydrotesting and Process VpCI®
- Emitters and Foams
- VpCI® Additives and Coatings

Cortec® Global Services is focused on providing customers worldwide with optimum corrosion control solutions to meet their everyday needs. By transferring knowledge of best practices between industries, Cortec® can ensure preservation goals are attained at the lowest possible impact and cost. Our group is committed to providing a cost effective service designed to ensure you receive the correct products, technologies, and applications the first time, every time. The Global Services brochure also offers a Services Buyers Guide where you can choose from such services as Certified Applicator Training, Advisory Services, Engineering, Design, Monitoring Services, Full Service Preservation Services, and Laboratory and Corrosion Testing Services.

Cortec® Corporation provides:

Quality Management System (ISO 9001 Certified)

- World Class Product Offerings
 - An innovative producer of leading edge products.
- World Class Customer Service
 - A positive, long-lasting impression through every link of our company.
- World Class Environmental Commitment
 - Cortec® commits to continued development of processes and products that are useful, non-hazardous to the environment, and recyclable whenever possible.
- An Ethical and Respectful Company Culture

- Respect and treat our colleagues, customers, and vendors as we would our own family members.

Environmental Management System (ISO 14001 Certified)

Cortec's strong environmental concern is demonstrated in the design and manufacturing of products that protect materials of all kinds from environmental degradation. A strong commitment to produce recyclable products made from sustainable resources has been and will be our future policy.

Laboratory Accreditation (ISO/IEC 17025)

Ensures quality testing services, and to continually improve the effectiveness of the Quality Management System. It is Cortec® Corporation's goal to encourage active participation of all employees in quality planning and continual improvement efforts to meet all quality and service objectives. Cortec® Laboratories is the only lab in our industry that received ISO/IEC 17025
