## Cortec® Welcomes A New Technical Sales Manager For Integrated Solutions!

Cortec® Corporation is pleased to have Jay Zhang on board as our new Technical Sales Manager for Integrated Solutions! Jay joined the team at the beginning of February, bringing an enthusiasm for business development to his work with sales, technical services, global services, distribution, customers, and other internal departments.

Jay holds a Bachelor's degree in Chemical Engineering and a Master's degree in Business Administration. He brings with him an extensive 20+ year background in the electronics industry. His experience in engineering, manufacturing, project management, operations, sales, business development, and product management is supplemented by an ability to speak fluent Chinese. Jay has had a number of overseas assignments, and Cortec® looks forward to the additional perspective he will bring to Cortec's relationship with Chinese and international customers.

Cortec® Corporation is the global leader in innovative, environmentally responsible VpCI® and MCI® corrosion control technologies for the Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries. Headquartered in St. Paul, Minnesota, Cortec® manufactures over 400 products distributed worldwide. ISO 9001, ISO 14001, and ISO 17025 Certified.
