### Miksic Achieves 40 Years at NACE

Boris Miksic, FNACE (Cortec Corp., St. Paul, Minnesota) has been active member of NACE International for

40 years. During his tenure he has contributed to the organization by participating in technical committees, exhibiting at annual conference and area meetings around the world, and contributing publications to the corrosion control community. He holds 43 U.S. and foreign patents in the field of corrosion protection, which have been developed into an advanced line of corrosion inhibitors, consisting of over 500 chemical products and systems. A NACE Fellow, Miksic received a NACE Distinguished Organization Award for Cortec and the Frank Newman Speller Award for contributions to the practice of corrosion control engineering. He received an *MP* Corrosion Innovation of the Year Award in 2013.
