

NEWS ALERT

New Equipment Digest Features Two Cortec® Articles In January Issue!

MilCorr Shrink Wrap Layup Training Video

In this video, see the step by step process of wrapping industrial machinery or vehicles with MilCorr VpCI Shrink film from Cortec Corporation. The

method shown can be scaled up or down to preserve equipment and vehicles of nearly any size. MilCorr VpCI Stretch film features patented Vapor phase Corrosion Inhibitor (VpCI) technology to bind to metal surfaces and inhibit corrosion and prevent costly damage.

Protect Metals in Packages

Cor-Pak Tablets provide corrosion protection for metals within a package, eliminating the need for applying and removing coatings. Just a few tablets need to be dropped into a bag, box, or package for protection that lasts more than 2 yr.
