

NEWS ALERT

Cortec® Corporation's President Throws a Surprising Twist to the 2007 World Sales Meeting.

June 22, 2007

At the celebration of Cortec® Corporation's 30 year anniversary, Boris Miksic, President of Cortec® surprised everyone by presenting Greto Corporation's President/CEO, Mr. Dick Toth, with a collector Silver Spur Rolls Royce. Greto Corporation was presented this award for their astounding commitment to customer service resulting in the highest sales seen in 30 years.

Nothing could have pleased Boris more than to present this award to Mr. Toth. Having been friends for over 30 years, Boris is proud to see the accomplishments of his friend and the Greto Corporation. Mr. Toth graciously accepted this award at Cortec's 2007 World Sales Meeting, which was held in St. Paul, Minnesota.
