

## **Cortec Corporation Announces...Cortec China Office**

Cortec Corporation, in its 25-year history, has seen China emerge as a marketplace with an unlimited potential for sales success, growth and long-term partnerships. Now, with the help of our regional representative, Mr. Michael Qiu, Cortec will again become an innovator with our new office, Cortec China.

Cortec China, located in Shanghai, will be headed by Mr. Qiu, as General Manager. Educated in both China and the US, Michael Qiu, a Shanghai native who came to the US in the early 80's, devoted the last twenty years in promoting and developing trade and business between the two countries. Michael has extensive experience in marketing US technologies and products in China and has been Cortec's China representative since 2000.

With Michael's support and leadership, current Chinese Distributors will have the convenience of day-to-day contact with Cortec, as well as greater opportunities to expand their own sales.

Michael's contact info is as follows:
