

# YOUR PATENT HAS BEEN ISSUED!!

## CONGRATULATIONS FROM U.S. PATENT CERTIFICATE

Dear Inventor,

The United States Patent Office has approved your application and granted your patent. This is possibly your first notification of the granting of your patent. We are supplied our information directly from the U.S. Patent and Trademark Office.

Your patent achievement deserves its unique place in history. We offer a wide variety of elegant Patent and Trademark Products to help you celebrate.

We are the industry leader that has been trusted by inventors since 1983... here to serve you. We invite you to place an order through the enclosed order form, at our online store, by our toll-free number or via fax. Once again, congratulations on the granting of your patent.

Respectfully,

A handwritten signature in cursive script that reads 'Margaret Driscoll'.
