PRODUCT RELEASE

Cortec® Corrosion Engineering and Field Services Website Now Available.

Cortec® Corporation of St. Paul, Minnesota has launched Cortec's Corrosion Engineering and Field Services (CEFS) website. This site is focused on providing each customer with optimum corrosion control solutions to meet their needs. The scope of services for Cortec's CEFS include a variety of corrosion control design, engineering, and field applications serving Cortec® customers worldwide. If you need a service that is not addressed on our website - please contact us - we will welcome the opportunity to assist you. CEFS is committed to providing a cost effective service designed to ensure our customers receive the correct products, technologies, and applications the first time, every time.

Website can be accessed at: <http://www.corteccefs.com/>
