

PRODUCT SPOTLIGHT

“Summer Up” with Cortec®

Corporation’s Bullfrog.

Cortec's Bull Frog products represent a real breakthrough in consumer technology that has been perfected and proven in industrial and military applications around the world. Although each product was created to perform a different task, each product employs the same Cortec® Vapor phase Corrosion Inhibitor (VpCI®) technology that has been proven both safe and effective in removing and controlling the ravages of rust and corrosion. Bull Frog consumer products will protect your investments and help them perform at their optimum levels.

Bull Frog products are safe for you and for the environment, and there's no effect on electrical, mechanical, or chemical performance.

Bull Frog "Summer" Products:

- Fast Wax & Rust Blocker
- High-Shine Wax & Rust Blocker
- Rust Remover with Rust Blocker
- Rust Blocker Strips
- Cleaner/Degreaser Rust Blocker

Please contact Cortec® for more information on the Bull Frog products or any of our other corrosion combatting technologies.
