

NEWS ALERT

“Excellent” Supplier Rating! Received by Cortec® Spray Technologies

June 23, 2006

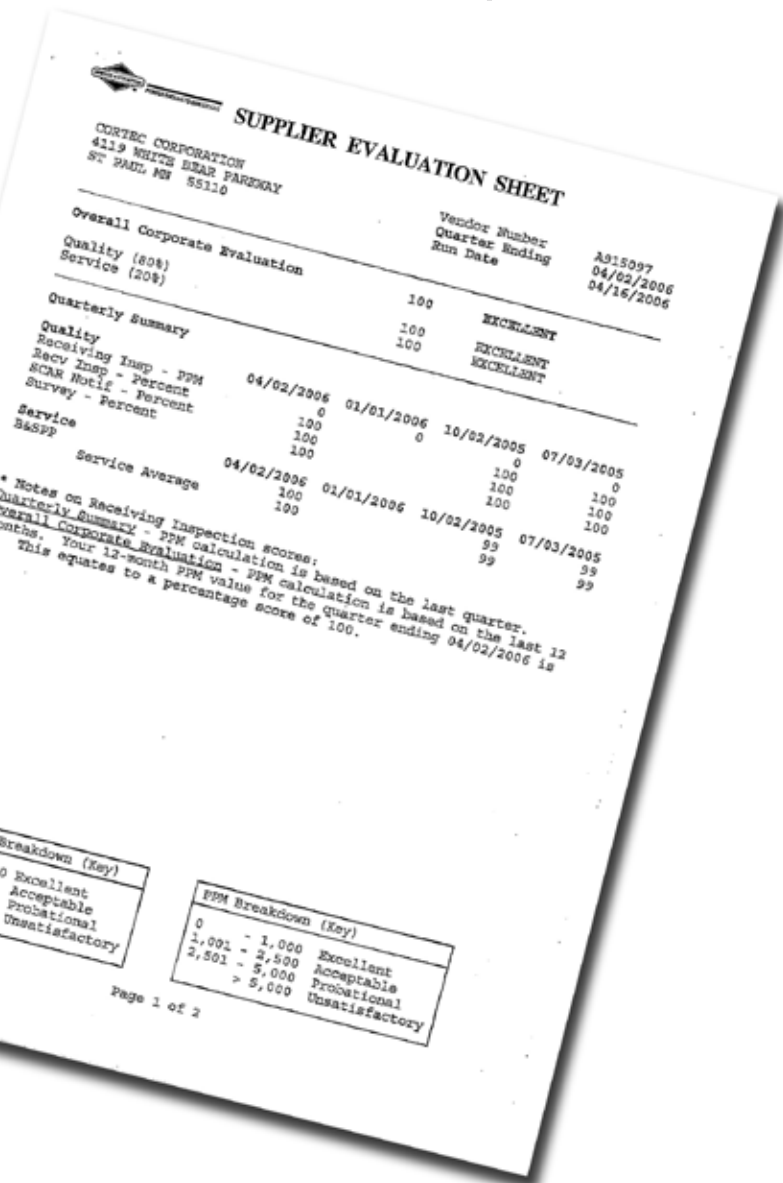

Cortec® Spray Technologies located in Spooner, WI again received an “Excellent” Supplier Rating by Briggs & Stratton® for 2006! Congratulations Cortec® Spray Technologies.

Briggs & Stratton® is the largest producer of air cooled gasoline engines, and Cortec® Spray Technologies packages the Pressure Washer Pump Saver product for their Power Products Group, LLC. The Pressure Washer Pump Saver prevents harmful buildup caused by hard water mineral deposits in pressure washer pumps.

Cortec® Spray Technologies was evaluated by Briggs & Stratton® using the ISO 9000 standards. Cortec® received the maximum 100 points “Excellent” rating for overall corporate evaluation, quality, and service.

Cortec® Corporation is dedicated to supplying high quality products and services to its clients, and is constantly reevaluating its manufacturing process for continuous improvements.

(See page 2 & 3 for evaluation details.)
