

# NEWS ALERT

## Join Us For Cortec's 2016 Asia Sales & Strategy Meeting In Shanghai, China!

Join us in Shanghai for Cortec's 2016 Asia Sales & Strategy Meeting on October 19<sup>th</sup> and 20<sup>th</sup>! Regional distributors from across Asia will be gathering in China's largest city to learn more about how to penetrate the Asian market need for Vapor phase Corrosion Inhibitors (VpCI®). Presentations will highlight specific corrosion protection problems in the region and provide education on the VpCI® products and Cortec® technical services that can help distributors meet those needs.

This event will be a great opportunity to collaborate with other Cortec® distributors and reps and to make strategies for improved market reach in the coming year. Come share your own experiences or gain helpful insights from the knowledge of others. Leave with a better vision of how to make the strongest VpCI® impact on corrosion problems in Asia!

To register, please complete and submit the form found at the following link:
