## **Cortec's CorrTainer™ Named Packaging of the Year.**

Cortec® Corporation's CorrTainer™ has been given the Obal Roku 2008 award by the Syba Packaging Institute for outstanding transport and handling packaging.

The Obal Roku is a prestigious national packaging competition where awards are given for exemplary packaging in the categories of: consumer packaging, consumer gift packaging, packaging materials, sales packaging and displays, transport and handling packaging, and labels, closures, fixation, and other auxiliary packaging means.

Cortec® CorrTainer™ is fully recyclable, repulpable, eliminates the need for secondary packaging, and offers cost effective, environmentally friendly, corrosion protection. This product is easy to use, with no need for desiccants and polycoated wraps. The Cortec® VpCI™ coating on the inside of the box vaporizes to saturate the metal surfaces providing complete multi-metal protection.
