

NEWS ALERT

Bionetix® International Successfully Passes ISO 9001:2015 Quality Management System Transition Audit!

Bionetix® International, a subsidiary of Cortec® that produces biological waste treatments and other natural cleaning solutions, is proud to announce its successful passage of the ISO 9001:2015 External Recertification Transition Audit with no non-conformances!

Michael Morin of SGS performed the official audit on January 16th and 17th at Bionetix® headquarters in Quebec, Canada. Morin was happy with the state of the Quality Management System as he checked the following areas:

1. Quality assurance documentation and records: review of changes
2. Documentation review
3. Context of the organization
4. Planning and risk
5. Customer related processes
6. Design and development
7. Maintenance
8. Corrective action and improvement
9. Internal audit
10. Employees' training
11. Management review including the following clauses: Quality Policy, Quality Objectives, Customer Satisfaction & Analysis of Data

Monica Yang, Office Manager at Bionetix®, commented that “The ISO certification not only anticipates the demands of our customers, but also demonstrates our commitment to providing quality products and services.”

By passing this audit, Bionetix® is now certified to meet the most updated standards of the ISO 9001 Quality Management System.

Cortec® Corporation is the global leader in innovative, environmentally responsible VpCI® and MCI® corrosion control technologies for the Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries. Headquartered in St. Paul, Minnesota, Cortec® manufactures over 400 products distributed worldwide. ISO 9001 and ISO 14001 Certified, and ISO 17025 Accredited.
