## Cortec® SEA to Bring MCI® Corrosion Solutions to Concrete Asia 2019

Philip Horsford, Regional Manager of Cortec® Southeast Asia (SEA), will be bringing Cortec® MCI® corrosion solutions to the 4<sup>th</sup> Concrete Asia conference, September 5<sup>th</sup>-7<sup>th</sup> in Bangkok, Thailand. This international exhibition for the concrete and construction industry is a great opportunity to introduce “new perspectives in corrosion protection from MCI®.” Technologies include concrete admixtures, surface treatments, repair products, and more.

**MIGRATING CORROSION INHIBITORS**  
FROM GREY TO GREEN

Cortec® SEA is eager to penetrate the region with MCI® solutions for concrete durability and is actively looking for potential distributors interested in working together to accomplish this goal. Visit Philip next week at Stand #107 to get your questions answered and discuss future business opportunities!

Register for Concrete Asia 2019 today at <http://concreteasia.bcis.asia/form.asp>, and get ready to make your way to Hall 10 at the IMPACT Exhibition and Convention Center!
