## Bionetix® and Quemwalk Bring Natural Cleaning Solutions to Latin America

Bionetix® International was pleased to partner with Quemwalk at the ISSA Limpieza Expo, June 5<sup>th</sup>-7<sup>th</sup> in Mexico City. The convention brings together more than 3,000 cleaning and maintenance professionals into one place to learn about new products and market trends, share industry knowledge, and make new connections.

A high number of visitors stopped by the Bionetix®/Quemwalk booth and expressed particular interest in Bionetix's natural cleaning and odor solutions for grease traps and toilets. Bionetix® wastewater treatment and aquaculture solutions also attracted attention.

ISSA Limpieza was a great opportunity to team up with Quemwalk to review business with current Latin American customers and establish a commercial network with leaders of the cleaning industry throughout the region!

Cortec® Corporation is the global leader in innovative, environmentally responsible VpCI® and MCI® corrosion control technologies for the Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries.
