

NEWS ALERT

Save the Date for CorrTango 2018 in Buenos Aires, Argentina!

Mark your calendars now for October 25th-27th, 2018!

Distributors from Latin America are invited to join Cortec® for its 2018 Latin America Sales & Strategy Meeting at the Howard Johnson Hotel Boutique Recoleta, in Buenos Aires, Argentina!

CorrTango 2018 will start with a Thursday evening reception, followed by a full day Friday of distributor awards, local and global market updates, strategizing, and other business. Friday evening will be marked by a special Gala Dinner at Madero Tango. Business will conclude Saturday with product overviews and an opportunity for distributors to offer their own insights and input.

Come share your own experiences and gain helpful insights from the knowledge of others. Leave with a better vision of how to make the strongest VpCI® impact on corrosion problems in Latin America!

More details will follow at www.cortecvci.com.

Cortec® Corporation is the global leader in innovative, environmentally responsible VpCI® and MCI® corrosion control technologies for the Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries. Headquartered in St. Paul, Minnesota, Cortec® manufactures over 400 products distributed worldwide. ISO 9001 and ISO 14001 Certified, and ISO 17025 Accredited.
