## NEWS ALERT

## Now Available in Spanish: Handy MRO Solutions Info Sheet!

We are pleased to announce that our handy new Cortec® MRO Solutions info sheet is now available in Spanish! This one-page flyer makes it easy to introduce convenient solutions for everyday maintenance, repair, and operations (MRO) to your Spanish-speaking clientele. Since almost everyone needs good tools for daily MRO, this is a great resource to share with practically any industry.

The info sheet gives a concise overview of Cortec® MRO Solutions: their key benefits, different product formats, and variety of end uses. These solutions are trusted, easy to use, and cover a broad range of cleaning, rust removal, corrosion lubrication needs—with protection, and biobased options available. They are compact and portable for use on the jobsite.

While Cortec® MRO Solutions were already practical and convenient—now they are easier than ever to share with a broad user base of Spanish speakers in North America, Latin America, and beyond! Find an online version of this new resource here, and be sure to pass it along to your colleagues in MRO today: https://www. cortecvci.com/whats\_new/announcements/ MRO\_Solution\_Sell\_Sheet\_SP.pdf
