

NEWS ALERT

Cortec® Corporation is pleased to announce a new addition to the team!

August 24, 2007

Cortec® Corporation is pleased to welcome Mr. Michael Gonzales to our sales team and rapidly growing regional sales office in Nashville, TN.

Michael's experience in the sales industry includes working for Nalco Chemical Company for 5 years and he was a founding partner of Metro Air Services where he also worked for 5 years. Michael received his Degree in Business and Marketing from Nashville State Community College.

Michael brings extensive experience from many industries with expertise in the metal working field as a highly motivated, goal-oriented business development and sales regional manager. Michael's expertise will provide direct value to our existing and expanding client base, will help the growth in the metal working arena, and will present yet another competitive advantage for Cortec® Corporation.

Michael is very enthusiastic about joining the Cortec® team and is looking forward to our high energy, fast-paced environment.

With a highly experienced and trusted team of sales managers, Cortec® Corporation continues to win business throughout the world!

Please join us in welcoming Michael to the Cortec® team.
