## Cortec® Corporation Brings In The New Year with Enthusiastic Changes!

January 23, 2008

It is with great anticipation and excitement that we extend formal congratulations to Mike Gabor, our new Vice President of the Midwest Region.

Mike has been working with Cortec® for over 10 years. First, Mike was a Manufacturer's Representative in the area, followed by five years as a Regional Sales Manager. Always one of our top sales performers, he has proven his dedication to growing sales by building partnerships with distributors in the Midwest. Mike has chosen to continue his career growth within Cortec® and will be stepping up as VP effective January 7, 2008. Please join all of us in congratulating Mike on his new position with Cortec® Corporation!

Cortec® wishes Ken Motsinger great success in his future as President of Greto Corporation, a winner of the 2007 top sales award. We look forward to working with him in this different capacity in the future and appreciate the dedicated service he has provided to Cortec® for the past 6 years.

The 2008 year promises great things with the changes we are making!!

Happy and successful New Year to all!
