

# NEWS ALERT

## Cortec® part of innovative video business profiles.

October 21, 2008

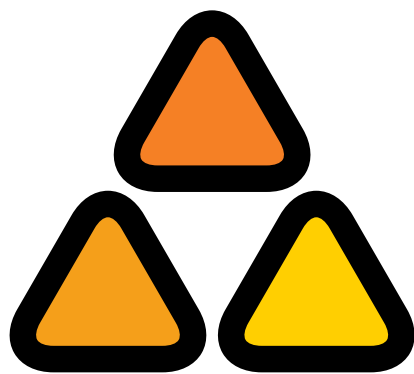

Cortec® Corporation is now listed on both the Mining Industry TV and Energy TV web sites in their Video Business Directories. Both of these web sites, as well as the TV segments are productions of Chandran Media. Each website hosts an article regarding Cortec® and the Cortec® Corporate Video. We hope these listings will be useful to you.

Mining Industry TV covers news about mining and Energy TV oil and gas in North America. The half hour news magazines can be seen in Canada every week on the Global TV network. Or, you can view the stories on their respective web sites.

Here are the links to view the listings:
