

NEWS ALERT

Let's Ride the Wave of 'Green' Cleaners at Interclean Amsterdam!

Mark your calendars now to join us at "the world's leading trade show for cleaning and hygiene professionals"! Interclean is heading back to RAI Amsterdam May 14th-17th to focus on cleaning and hygiene strategies with experts from around the world. Given today's growing interest in "green" cleaners, this is a prime time to get in on the excitement as [Bionetix®](#) shares its cutting-edge probiotic cleaning technology.

What to Expect at Interclean

Interclean is a great place to connect with professionals from all sectors of the cleaning industry. More than 30,000 visitors are expected to come from over 120 countries around the world, with more than 900 exhibitors spread across 11 exhibition halls. You will enjoy cleaning demos and a wide selection of knowledge sessions as you immerse yourself in the convention.

One-on-One Time with Bionetix®

In addition to meeting market leaders and cleaning experts, you will have an excellent opportunity to talk in-person with key members of our Bionetix® team: Diana Di Marco (Technical Sales Director), Tonya Decterov (Product Manager), Mathias Benitez (Lab Manager), and Mario Albano (Bionetix® Europe). Stop by our booth to learn about our new line of probiotic cleaning tablets and other forthcoming products. If you are interested in private labeling high quality microbial cleaning products, Interclean would also be a great time to discuss the logistics and potential for working with our experienced microbiology lab. Save the date and register now!
