Meet Us in Mexico City for Cortec's South American Sales Meeting Followed by LatinCorr 2016!

Cortec® Corporation is pleased to announce the 2016 South America Sales Meeting (SASM), which will take place October 22-24 at the Courtyard Mexico City Revolution Hotel in Mexico City. This is the fourth SASM since 2010 and conveniently takes place just prior to and in the same city as LatinCorr 2016.

Cortec® distributors attending SASM from across Latin America will have the chance to share experiences and hear directly from Cortec® about new products, case histories, and other developments. Those who stay on for LatinCorr 2016 (October 25-28) at the World Trade Center can also take advantage of special educational and networking opportunities in the field of corrosion prevention. Cortec® will be hosting a booth at LatinCorr, and Dario Dell'Orto (Cortec® VP of International Sales) will be presenting one or two papers on corrosion prevention at this important event.

Cortec® invites you to mark your calendars now for these two valuable gatherings and looks forward to seeing you in Mexico City this October!
