

NEWS ALERT

Be Part of a Living Case History!

What are your plans for this October? We hope to see you, our Cortec® friends and family, at the 2019 Cortec® World Sales Meeting, October 2nd-4th in Saint Paul, Minnesota!

This special event takes place just once every two years. It is an exciting opportunity for Cortec® reps, distributors, and affiliates from around the world to gather for a time of learning, networking, awards, and fun!

The Cortec® World Sales Meeting is one living, breathing case history, where you can learn from Cortec® experts who have been in the field for years and share your own firsthand experiences with others.

In addition to our keynote presentations and technical breakout sessions at the beautiful historic Saint Paul Hotel, the Cortec® World Sales meeting will give you the opportunity to mingle and ask questions one-on-one with various Cortec® departments in a trade-fair-like setting at Cortec® World Headquarters.

Social events will include a welcome reception at the Saint Paul Hotel, an Oktoberfest at the Gasthaus Bavarian Hunter, and a Friday evening riverboat cruise on the mighty Mississippi!

Register today for this exciting biennial event: <https://www.cortecwsm.com/meeting-registration/>
