CORTEC JOINS WAR ON TERRORISM!!!

NEW SECRET ESP WEAPON TO BE LAUNCHED!

Cortec Corporation, St. Paul MN, is not going to let terrorism stop our economy. We can't fight in combat, but we can save our U.S. & World economies.

ESP stands for "Economic Stimulation Program." Effective immediately, Cortec is offering a 5% TVA "Temporary Voluntary Allowance" for the remainder of the year 2001, for U.S. customers only.

You can choose how you would like your allowance used. Take it and pass it on to your customer or donate it to the Red Cross, a specific victim of the September 11th attack, a charity or a person recently laid off from his or her job. If you'd like, we'll do it for you in your name.

If we slow down now, we might take a long time to recover, if ever. This is the terrorists' goal, not just death, but death of spirit, growth and the economy.

WE challenge you to do the same!!!

GOD BLESS AMERICA
